

Interfaith Council of Amador

"Because no one should have to face the day hungry"

Volunteer Opportunities

The Interfaith Food Bank opened in 1998 and is supported by the community we serve. Aside from food and fiscal donations from individuals, churches, grocers and other businesses the Interfaith Council of Amador critically depends on a force of committed volunteers working together to make our vision of "a time without hunger in Amador County" a reality.

Interfaith Food Bank is always looking to expand our volunteer force with individuals working in a variety of capacities. In order to ensure a safe, productive, and positive environment all volunteers are asked to:

- Show up for scheduled shifts on time and dressed appropriately for work in a busy environment (no open toed shoes)
- Maintain client confidentiality
- Be comfortable with diverse populations in both calm and fast paced environments
- Read and comply with the Interfaith Council of Amador Volunteer Handbook

Interfaith Council of Amador volunteers assist in operations of our Food Bank warehouse and front office, off-site distribution centers, retail "Great Finds" Thrift Store and seasonal Produce Distribution. Positions vary in terms of physical activity, length of shift, location, public interaction and computer use. Our staff will help each volunteer find a suitable spot on our team.

If you are interested in finding out more or joining our team please fill out the attached application and brief questionnaire.
